

'Spotlight on...' learning toolkits aim to raise awareness and drive change. The toolkits provide resources including guidance, case studies and best practice examples from across the industry and beyond to help the construction industry to address these issues and raise their standards in these important areas of concern.

**CONSIDERATE  
CONSTRUCTORS  
SCHEME**

**Alcohol misuse  
is the biggest risk  
factor for death,  
ill-health and disability  
among 15-49 year-olds  
in the UK**

ALCOHOL CHANGE (2018)

# Spotlight on... drugs and alcohol

This toolkit aims to raise awareness of the health and safety risks associated with drugs and alcohol use in the construction industry. Remember, it's not just you at risk.
