

Accessing Product Information

This is the process to be followed in order to access product-specific information and certification held on the Nationwide Windows Ltd website. The information is accessed via the QR (Quick Response) code on the product label. The product labels are located within the eurogroove on the hinge side on PVC-U windows and doors. For composite doors the label is located on the leaf on the hinge side.

Example of product label

Example of scannable QR code

You will need to have a QR Reader on your smart phone. This can be downloaded for free from an app store.

Example of QR Reader

Using the reader, scan the QR code on the product label.

Example of QR Code

You will be taken to the Nationwide Windows Ltd website and the CE Declaration of Performance will be displayed.

The screenshot shows a web browser window with the URL [http://ce.nationwidewindows.co.uk/...](http://ce.nationwidewindows.co.uk/). The page features the Nationwide Windows & Doors logo and navigation tabs for Home, CE DOP, Frame Details, and Certification. The main content is a CE Declaration of Performance (DOP) for a PVCU Casement window.
